

Greetings from WWTO, Trinity Broadcasting Network for Chicagoland.

We are very excited to announce that TBN will be launching a new network during the month of June. This new network, appropriately named "Salsa," is Hispanic programming, but in English!

We are inviting Pastors, their congregations, and the general public to be a part of the studio audience during the taping of our first "Salsa" Praise the Lord show!

Please join us Friday, April 24, 2015 at 7:00 pm at 2880 Vision Court, Aurora IL. Doors open at 6:00 PM. We would really appreciate the support of local churches as we prepare for the launch of this new network. Please make your plans now to attend!
